

## SolarPACES 2009

Electricity, fuels and clean water  
powered by the sun

World's No. 1  
CSP  
Conference

15 - 18 September 2009  
Berlin, Germany

### SolarPACES 2009 Newsletter

Dear Sir/Madam,

This is our last SolarPACES 2009 newsletter, concluding the successful conference which took place from 15 to 18 September, 2009, in Berlin.

#### SolarPACES 2009 Review

We would like to thank all of you for being a part of SolarPACES 2009:

- The more than 700 participants from 42 countries who attended the conference!
- The 41 top invited speakers for the exciting plenary sessions and panel discussions!
- The presenters of some 230 oral and poster presentations for bringing us up to date on the newest scientific developments in concentrating solar power and chemical energy systems.
- And our sponsors, whose engagement added a special atmosphere.

#### SolarPACES 2009 Download Area

We have implemented a restricted download area on the SolarPACES 2009 website, providing you with interesting and valuable information and wonderful impressions of the conference:

- Conference Program
- List of Participants
- Download of the Scientific Papers as PDF files
- Plenary Session videos
- Plenary Session presentations as PDF files
- Photo Gallery of sessions, social program

Conference participants can access the download area for free, using their login and password.

Interested persons who were not able to participate in the SolarPACES 2009 conference can gain access for a fee of 150 Euro. Registration is possible on the website.

Copies of the printed Book of Abstracts (A4 format, approx. 440 pages) can also be ordered online while supplies last. The charge for one Book of Abstracts is € 50.- plus shipping.

#### SolarPACES 2010

The next SolarPACES conference will take place in Perpignan, France, from 21 to 24 September, 2010. We look forward to seeing you in France!

Let's keep up the pace towards a concentrated solar future!

Kind regards,

The SolarPACES 2009 organizing team
